

TUFFAK[®] AR – RETAIN ORIGINAL LOOK OF FACADE; PROTECT AGAINST DAMAGE TO WINDOW GLAZING

APPLICATION: FACTORY WINDOW GLAZING REPLACEMENT

Located along a busy rail line, 40 year old, single pane glass windows were in need of replacement due to breakage from projectiles thrown from passing trains and vandal attack.

TUFFAK AR polycarbonate was the material of choice for its high impact resistance, giving it the ability to deflect rocks and debris which are flung from the abutting railroad tracks and random vandal abuse.

TUFFAK AR polycarbonate sheet

- » Withstands vandalism and forced entry attacks
- » Excellent daylighting
- » High impact strength
